Corrigendum to our Independent Auditors' Report to the Members of National Jute Manufactures Corporation Limited dated 23rd September, 2022 on the Standalone Financial Statements for the financial year 2021-22

On going through our aforesaid Audit Report, we find that due to oversight, the amount of interest accrued on loans granted to subsidiary under the column "Balance as per Subsidiary (₹ in Lakhs)" in the table appearing under clause C.5(b) has been erroneously shown as 3804.96 instead of 3804.77 appearing in the audited financial statements of the subsidiary company, Birds Jute & Exports Limited. The said amount appearing in our audit report may, therefore, be read as 3804.77 in place of 3804.96.

Independent Auditors' Report

TO
THE MEMBERS OF NATIONAL JUTE MANUFACTURES CORPORATION LIMITED
REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of NATIONAL JUTE MANUFACTURES CORPORATION LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss and cash flows for the year ended on that date.

Basis for Qualified Opinion

A) Going Concern Assumption:

The accounts have been drawn up on going concern basis which is not appropriate under the circumstances because of the following reasons:

- a) The Union Cabinet has approved the closure of National Jute Manufactures Corporation Limited (NJMC) and its subsidiary Birds Jute Exports Limited (BJEL) at its meeting held on 10th October, 2018. Disposal of all assets will be in accordance with the guidelines of DPE dated 14.06.2018 and the proceeds from the sale of assets, after meeting the liabilities will be deposited in Consolidated Fund of India. The Board of Directors of NJMC Limited at its 177th meeting nominated M/s. MSTC as Auctioning Agency for disposal of all movable assets and Building but no specific development in that regard has been achieved yet. Further NBCC (India) Ltd has been appointed as Pre Land Management Agency (LMA) for verification, assessment and valuation of assets before undertaking disposal in accordance with the DPE guidelines which has been extended by six months without imposition of LD but the report is still awaited.
- b) In terms with the closure notification, the company has during the year 2018-19 refunded Interest Free Loan to the extent of ₹200 crores to the Government of India. The income of the company for the last several years is primarily from Interest on Fixed Deposits which has reduced significantly after the said refund.
- c) The Financial Statements indicate that the company's current and non-current liabilities exceed its total assets by ₹22,851.57 Lakhs (Previous Year ₹22,498.34 Lakhs) and the manufacturing units of the company are also not in operation for the last several years.

These factors confirm the inability of the company to continue as a going concern and to discharge its liabilities in the normal course of business.

B) Non Compliance with Accounting Standards:

B.1 Accounting Standard-2 - Valuation of Inventories

As stated in accounting Policy 1.4, Inventories are valued at lower of cost and net realizable value/market price. Most of the inventories are being carried forward since long and there is no movement

in inventory for a number of years. The relevant cost details and the basis of determination of net realizable value were not made available to us and, hence, it is not possible to ascertain whether AS-2 has been complied with. Moreover, age-wise analysis of inventory as well as identification of obsolete and non-marketable inventories has not been ascertained. Hence, it is not possible to determine whether the carrying value of inventories represents its proper valuation.

B.2 Accounting Standard-9 - Revenue Recognition:

The Company has recognized interest income of ₹88.34 Lakhs on the loans granted by it to its subsidiary, Birds Jute & Exports Ltd. But at the same time it has also made provision on this account towards doubtful interest receivable net of TDS. Deviating from the resolution adopted in the 193rd Board Meeting dated 31st May 2022 where the interest is to be charged at the SBI benchmark prime lending rate that resulted in under statement of ‘Interest income on Loan to Subsidiary’ for the year ₹36.44 Lakhs and ₹67.41 Lakhs for previous years with corresponding under-provision for the same amount. The subsidiary company is not making repayment of principal and payment of interest and the balance in the books of account as on 31st March, 2022 is also subject to reconciliation.

B.3 Accounting Standard-21 - Consolidated Financial Statements :

The Company has a subsidiary company namely Birds Jute and Exports Ltd. The company has not prepared and presented consolidated financial statements in the earlier years as required by (AS)21, ‘Consolidated Financial Statement’s till the date of our reporting.

B.4 Accounting Standard-22 – Accounting for Taxes on Income:

The Company has not complied with AS-22 Accounting for Taxes on Income. Ascertainment of Deferred Tax Asset & Liability in accordance with the said standard has not been done.

B.5 Accounting Standard-29 – ‘Provisions, Contingent Liabilities and Contingent Assets’:

According to the information and explanations given to us, the company is in litigation with various parties on diverse matters, a number of which are pending for several years. However, against many cases, the company has not estimated and disclosed the amount of possible financial implication of the dispute, as required under AS 29 ‘Provisions, Contingent Liabilities and Contingent Assets’.

C) Under/Over statement of Income/Expenses and Assets/Liabilities

C.1 Property, Plant & Equipment & Depreciation:

- a) As stated in Note 9(2), Property, Plant & Equipment include certain machines of the Company having WDV of ₹637/- lying with a third party since Nationalization. But the company has not ascertained the actual existence of those machineries as on Balance Sheet date.
- b) As disclosed in Note 9(6), ‘Land & Building’ includes property at 5, Alipore Road, Kolkata, which is not in the possession of the Company though vested in the company under the Jute Companies (Nationalization) Act, 1980. The property is under litigation and the legal experts are having divergent views regarding the ownership right over the property. Though the ownership is disputed, the company is providing liability in respect of municipal taxes payable to Kolkata Municipal Corporation, which amounted to Rs.4.45 Lakhs for the financial year 2021-22 (Previous Year: ₹4.45 Lakhs). The cumulative liability so provided upto 31.03.2022 is ₹112.02 Lakhs (upto 31.03.2021: ₹107.57 Lakhs)
- c) Certain items of Plant & Machinery lying at the National Mill Unit of the company, having aggregate book value of ₹2.12 Lakhs as on 31-03-2022, as determined by the management, were stated to have been theft in the earlier year (₹0.28 Lakhs) as well as during the financial year 2021-22 (₹1.84 Lakhs), for which FIRs have been lodged by the company. No provision has been made towards loss

on these account as the management intends to recover the same from the Insurance Company and/or the concerned Security Service provider at the said Mill. We have been informed that necessary adjustment in this regard will be made on settlement of the matter with the concerned parties. In absence of updated fixed assets register we could not verify the correctness of the aforesaid value calculated by the management.

- d) The Title Deeds of the land at various location were made available for our verification but could not be properly verified and linked with the records of fixed assets. However, according to information and explanation given to us, the landed property of three mills viz. Khardah, some portion of Kinnison and Alexandra are still continuing in the name of the erstwhile companies. We have been further informed that representation has been made to the Additional District Magistrate & District Land & Land Reforms Officer – North 24 Paraganas, Barasat as well as Secretary Land and Land Reforms and Refugee Relief and Rehabilitation Department, Government of West Bengal for updating the land records in respect of the said properties but, the matter is still pending as on 31st March, 2022.

C.2 Investments:

The company is not maintaining proper Register of its Investments. Further, no documents could be made available in respect of Investments in Govt. securities aggregating to ₹0.74 Lakhs and Share scrips in respect of investments held in Britannia Engineering Ltd. and J.F. Low & Co. Ltd. could not be made available for our verification and were informed to be not traceable. These investments are very old and it was explained to us that the original certificates might have been provided as security to the various Govt. authorities/departments. It was also noticed that investments include ₹0.02 Lakhs in the shares of companies, the names of which have already been struck off. However, full provision have been made against all these investments. Furthermore, investments include shares in Cheviot Company Limited and Birla Corporation Limited against which full provision has been made though dividends have been received against these shares.

C.3 Inventories:

The valuation of inventories at the year-end, which are very old, has been done by the management without considering damage/obsolesce on account of lapse of time and non-operations of the mills. The write-down in the value of inventories of raw-materials and work-in process has been done by the management without any technical evaluation of the actual diminution in the value of different types of inventories held by the company.

C.4 Cash and Bank Balances:

Bank balances include ₹91,303.04 on account of Kinnison unit lying with UCO Bank, Titagarh Branch, which is a dormant account as on Balance Sheet date.

C.5 Short Term Loans & Advances:

- a) Against the aggregate provision of ₹408.77 Lakhs for Income-tax, as appearing in the Balance Sheet, tax payments made by the company in the form of income tax deducted at source amounts to ₹1172.65 Lakhs. The Income-tax refunds determined for earlier years, together with interest allowed thereon, are being adjusted by the Income Tax department against the arrear demand for the assessment year 1990-91. The outstanding demand summary of the company appearing in the Intimation u/s 143(1) for the assessment year 2020-21 is still showing a sum of ₹243.15 Lakhs payable by the company towards interest. We have been informed that the company is trying to obtain necessary information and documents in respect of the demand raised for the assessment year 1990-91 and necessary adjustment /further provision will be made after receiving necessary documents/information.

- b) After going through the balance confirmation and the audited financial statements for the year ending 31.03.2022 received from Birds Jute & Exports Ltd., the subsidiary, we observed the balances lying in various accounts with the subsidiary are not matching, the details of which are as follows:

Account	Balance as per NJMC (₹ in Lakhs)	Balance as per Subsidiary (₹ in Lakhs)	Remarks
Interest Accrued on loans granted to Subsidiary	3814.96	3804.96	Differences need reconciliation and necessary adjustment after obtaining required details and information from the subsidiary.
Advances given	605.64	631.05	
Creditor for Goods	Nil	94.91	
Creditor for Rent	Nil	0.15	
Creditor for other services	0.10	Nil	
Creditor for Brokerage	0.28	Nil	
Trade Receivables A/c Goods	23.56	258.21	
Trade Receivables A/c Expenses	Nil	7.40	
Advances given for Services	3.33	Nil	

C.6 Other Current Assets:

Since party wise details and relevant documents could not be made available to us in respect of Security Deposits aggregating to Rs. 56.31 Lakhs, out of which 11.47 Lakhs considered doubtful and provided for, it is not possible to determine how much of deposits considered good are actually realizable.

C.7 Long Term Borrowings:

- a) The company has taken loans of ₹281.48 Lakhs from Government of West Bengal in earlier years. The loan agreement or any other document showing the terms and conditions of such loan could not be made available to us for our verification. In absence of any document showing the rate of interest and other terms, we could not verify the correctness of interest aggregating to ₹1308.61 Lakhs provided by the company upto 31-03-2022, which includes ₹36.36 Lakhs provided for the year under review. As stated in Note 4 additional information (c) to accounts, the company has defaulted in repayment of this loan and the accumulated balance of Principal including interest unpaid as per the books of account of the company is ₹1590.09 Lakhs as on 31st March, 2022 (as on 31st March, 2021 ₹1553.73 Lakhs).
- b) No balance confirmations have been obtained by the company from the Central/ State Governments for the outstanding balance of loans as on 31-03-2022.

C.8 Trade Payables:

Trade Payables aggregating to ₹2055.99 Lakhs (as at 31.03.2021 ₹2093.96 Lakhs) include old outstanding balances carried over for more than three years aggregating to ₹1974.14 Lakhs as per age-wise analysis of trade payables prepared by the company. In absence of party wise and invoice wise details or statement of account received from parties, it is not possible to ascertain how much of these liabilities are ultimately

payable. In absence of necessary information, the status of parties under MSMED Act and dues to Micro and Small Enterprises could not be ascertained. Further, no liability on account of interest payable under the MSMED Act is being provided in the accounts for the last several years. Consequently, the interest payable under the said Act may be different from the amount of interest liability shown under the head Trade Payables. Furthermore, in case of Kinnison Unit, the amount of Sundry Creditors for Services and Sundry Creditors for Stores are being included in Trade Payables at net of debit balance of ₹25.32 Lakhs lying in some of these creditor accounts. Consequently, the liability on account of Trade payables is understated to that extent in the balance sheet. Furthermore, the provision made by the company towards doubtful advances given is also short to that extent, which has the impact of understatement of loss to the extent of ₹25.32 Lakhs on this account.

C.9 Other Current Liabilities:

- a) During the year under review, the company has made payment of ₹152.99 lakhs towards arrear ESI Contributions and a further sum of ₹50 Lakhs on adhoc basis on account of interest on ESI Dues against the demand of ESI and subsequent order of Hon'ble High Court, Kolkata. These payments have been adjusted by the company against the unpaid liability of ₹3727.18 Lakhs lying in the books of account as on 01-04-2021 as Provision for ESI Damages without any basis and nothing has been charged to the Statement of Profit & Loss on this account. Further, no separate provision has been made for the balance payment of ₹284.36 Lakhs made by the company in the subsequent year on the basis of the said order of Hon'ble High Court, Kolkata towards past dues of ESI Contributions and interest thereon.

In our opinion, such non-charging of the aforesaid payments to the Statement of Profit & Loss and not making provision for the balance payment made in the subsequent year has the effect of understatement of loss for the year and statutory liabilities payable at the year-end to the extent of these payments.

- b) Statutory dues also include liability for Fringe Benefit Tax amounting to ₹8.93 Lakhs, Interest on Professional Tax amounting to ₹68.69 Lakhs, Damages due on PF and interest thereon ₹903.05 Lakhs which are being brought forward since long back. In the absence of relevant information, it could not be ascertained how much of these liabilities are ultimately payable or whether the same have been adequately provided.
- c) In the absence of party-wise details and other necessary information in respect of undisbursed claim of Commissioner of Payment: ₹40.29 Lakhs; Performance Guarantee: ₹57.47 Lakhs, Advance from parties: ₹98.83 Lakhs and old outstanding balances included in Security Deposits/EMD Received: Amount of which could not be ascertained for want of details. It is not possible for us to ascertain how much of these liabilities are ultimately payable or whether the same have been adequately provided for most of these items were stated to be very old.
- d) Creditors for unpaid wages of ₹320.60 Lakhs include old outstanding liability aggregating to ₹226.55 Lakhs on account of VRS payable, Gratuity payable and Arrear Salary Payable. The company is maintaining the old balances as liability towards staff related payments. According to the information given to us, the total financial contingent liability in Labour matters, so far the management could ascertain in a number of cases comes to ₹6866.00 Lakhs.
- e) Unpaid Rates, Taxes & include Cess, Duty etc ₹0.99 Lakhs, Professional Tax ₹0.12 Lakhs, Service Tax ₹1.69 Lakhs, TDS 0.99 lakhs, Other Rates & Taxes ₹109.97 Lakhs, which are being carried forward for long. In the absence of relevant information, it could not be ascertained how much of these liabilities are ultimately payable or whether the same have been adequately provided.

In view of the aforesaid observations, we are unable to determine the impact of these matters on the statement of affairs of the company and the corresponding impact on the Statement of Profit & Loss.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our qualified opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

However, no effect of such valuation has been given in the books of Account. In this connection, we have been informed that the effect of such revaluation was not given as the Union Cabinet has already declared closure of the company on 10.10.2018 and, as part of the closure process, pre-LMA work (verification, assessment and valuation of all movable and immovable assets) is going on through NBCC (I) Ltd, a Central Govt. In the absence of any stock register or records, the physical quantities were verified by them with reference to the quantities shown in the last stock audit report dated 15.09.2021, and on such verification no discrepancy in the quantity of inventories has been pointed out. The difference between the book value of opening stock of raw jute and finished goods and the value considered by them on the basis of last stock audit report dated 15.09.2021 have been adjusted during the year by the company by way of write down of the value of inventories, charged to the Statement of Profit & Loss. Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

NATIONAL JUTE MANUFACTURES CORPORATION LTD.

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI, e.g. control environment, risk assessment, control activities, information system and communication and monitoring. The Board's report also does not include any risk management policy for the company including identification therein of elements of risk.

In view of above observations, Internal Financial Controls in the Company as on 31.03.2022 is inadequate based on the internal control over financial reporting criteria as stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

We have considered the qualified opinion reported above in determining the nature, timing and extent of audit tests applied in our opinion on the financial statements of the company.

Thus, outstanding loan since year 2013-14 amount to ₹477.49 lacs. As resolved in the Board Meeting of NJMC Ltd. held on 23rd of December 1991, interest on the said loan had to be charge at the bank rate prevailing on the last date of the respective accounting years on the existing and future loans. It has been observed that aggregated loan amount of ₹477.49 lacs and interest charged thereon during the period from disbursement up to the year 2014-15 amount to ₹3292.88 lacs, after adjustment of ₹398.63 lacs, in different years, have been confirmed by BJEL in their annual accounts of the year 2014-15. Since, the interest was being charged on compound basis, the interest burden mounted up year after year and recoverability had become uncertain in view of financial condition of the subsidiary which did not repay any of the amounts since long. Considering aforesaid position, it was proposed that the amount of interest of ₹3292.88 lacs may be kept frozen for calculation of further interest at compound rate on the same in future years which will only burden the books of the Subsidiary as well as the Holding Company. In view of recalculation of interest on the principal of ₹477.49 lacs, it has been observed that company has undercharged ₹67.41 lacs till year 2020-21 which has to be levied to the subsidiary along with ₹124.77 lacs for the year 2021-22, against which the subsidiary should respond crediting the holding company by ₹202.49 lacs, including ₹10.31 lakhs less charged (₹77.72 lacs for earlier years and Rs.124.77 lacs for current year). The Board approved in 193rd Board meeting held on 31st May 2022 to keep uniform interest amount of ₹536.92 lacs in the Books of NJMC Ltd as well as in the books of BJEL. It also approved to consider SBI benchmark prime lending rate for calculation interest from 2021-22 onwards. The effect of the same will be given after acceptance of the same by the subsidiary."

Independent Auditors' Report on Consolidated Financial Statements

TO THE MEMBERS OF NATIONAL JUTE MANUFACTURES CORPORATION LIMITED REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Qualified Opinion

We have audited the accompanying consolidated financial statements of NATIONAL JUTE MANUFACTURES CORPORATION LIMITED (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2022, the consolidated Statement of Profit and Loss and the consolidated Cash Flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matters described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022, of consolidated Loss, and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

- **Going Concern Assumption:**

The accounts of the Holding Company and the Subsidiary have been drawn up on going concern basis which is not appropriate under the circumstances because of the following reasons:

- The Union Cabinet has approved the closure of National Jute Manufactures Corporation Limited (NJMC) and its subsidiary Birds Jute Exports Limited (BJEL) at its meeting held on 10th October, 2018. Disposal of all assets will be in accordance with the guidelines of DPE dated 14.06.2018 and the proceeds from the sale of assets, after meeting the liabilities will be deposited in Consolidated Fund of India. The Board of Directors of NJMC Limited at its 177th meeting nominated M/s. MSTC Ltd. as Auctioning Agency for disposal of all movable assets and Building but no specific development in that regard has been achieved yet. Further M/s. NBCC(India) Ltd has been appointed as Pre-Land Management Agency (LMA) for verification, assessment and valuation of assets before undertaking disposal in accordance with the DPE guidelines which has been extended by six months without imposition of LD but the report is still awaited.
- In terms with the closure notification, the holding company has during the year 2018-19 refunded Interest Free Loan to the extent of ₹200 crores to the Government of India. The income of the holding company for the last several years is primarily from Interest on Fixed Deposits which has reduced significantly after the said refund.
- The auditors of the subsidiary company in their report on the Standalone Financial Statements have also expressed opinion that there exists material uncertainty which is casting significant doubt on the ability of the subsidiary to continue as a going concern.
- The subsidiary company has made a provision of ₹32.35 Lakhs (Previous Year ₹13.34) towards unpaid municipal taxes and interest thereon. The auditors of the subsidiary company has expressed inability to comment on the adequacy or otherwise of such provision in view of uncertainty over the amount of further interest and penalty, if any, payable on this account.

- The auditors of subsidiary company have also stated that the balances in Trade Receivables, Creditors, Suppliers and Advances are subject to confirmation/reconciliation and subsequent adjustments, if any.
- In the opinion of the auditors of the subsidiary company, it in all material respects, does not have adequate internal control system over financial reporting and such internal controls over financial reporting were not operating effectively as on 31st March, 2022.
- The Financial Statements indicate that the group's current and non-current liabilities exceed its total assets by ₹32,557.61 Lakhs (Previous Year ₹31,744.40 Lakhs) and the manufacturing units of the group are also not in operation for the last several years.

These factors confirm the inability of the group to continue as a going concern and to discharge its liabilities in the normal course of business.

B) Non Compliance with Accounting Standards:

B.1 Accounting Standard-2 - Valuation of Inventories

As stated in accounting Policy 1.3, Inventories are valued at lower of cost and net realizable value/market price. Most of the inventories are being carried forward since long and there is no movement in inventory for a number of years. The relevant cost details and the basis of determination of net realizable value were not made available to us and, hence, it is not possible to ascertain whether AS-2 has been complied with. Moreover, age-wise analysis of inventory as well as identification of obsolete and non-marketable inventories has not been ascertained. Hence, it is not possible to determine whether the carrying value of inventories represents its proper valuation.

B.2 Accounting Standard-21 - Consolidated Financial Statements :

The group has not prepared and presented any consolidated financial statements in the earlier years, as required by (AS)21, 'Consolidated Financial Statements' till the date of our reporting.

B.3 Accounting Standard-22 – Accounting for Taxes on Income:

Ascertainment of Deferred Tax Asset & Liability in accordance with AS-22 on Accounting for Taxes on Income has not been done.

B.4 Accounting Standard-29 – 'Provisions, Contingent Liabilities and Contingent Assets':

According to the information and explanations given to us, both the companies in the group are in litigation with various parties on diverse matters, a number of which are pending for several years. However, against many cases, these companies have not estimated and disclosed the amount of possible financial implication of the dispute, as required under AS 29 'Provisions, Contingent Liabilities and Contingent Assets'.

C) Under/Over statement of Income/Expenses and Assets/Liabilities

C.1 Property, Plant & Equipment & Depreciation:

- a) As stated in Note 11, Property, Plant & Equipment include certain machines of the holding company having WDV of ₹637/- lying with a third party since Nationalization. But the holding company has not ascertained the actual existence of those machineries as on Balance Sheet date.
- b) As disclosed in Note 11, 'Land & Building' includes property at 5, Alipore Road, Kolkata, which is not in the possession of the holding Company though vested in it under the Jute Companies (Nationalization) Act, 1980. The property is under litigation and the legal experts are having divergent views regarding the ownership right over the property. Though the ownership is disputed, the holding company is providing liability in respect of municipal taxes payable to Kolkata Municipal

Corporation, which amounted to ₹4.45 Lakhs for the financial year 2021-22 (Previous Year: ₹4.45 Lakhs). The cumulative liability so provided by the holding company upto 31.03.2022 is ₹112.02 Lakhs (upto 31.03.2021: ₹107.57 Lakhs).

- c) Certain items of Plant & Machinery lying at the National Mill Unit of the holding company, having aggregate book value of ₹2.12 Lakhs as on 31-03-2022, as determined by the management, were stated to have been theft in the earlier year (₹0.28 Lakhs) as well as during the financial year 2021-22 (₹1.84 Lakhs), for which FIRs have been lodged by the holding company. No provision has been made towards loss on these account as the management of the holding company intends to recover the same from the Insurance Company and/or the concerned Security Service provider at the said Mill. We have been informed that necessary adjustment in this regard will be made on settlement of the matter with the concerned parties. In absence of updated fixed assets register we could not verify the correctness of the aforesaid value calculated by the management.
- d) The Title Deeds of the land at various location in case of the holding company were made available for our verification but could not be properly verified and linked with the records of fixed assets. However, according to information and explanation given to us, the landed property of its three mills viz. Khardah, some portion of Kinnison and Alexandra are still continuing in the name of the erstwhile companies. We have been further informed that representation has been made to the Additional District Magistrate & District Land & Land Reforms Officer – North 24 Paraganas, Barasat as well as Secretary Land and Land Reforms and Refugee Relief and Rehabilitation Department, Government of West Bengal for updating the land records in respect of the said properties but, the matter is still pending as on 31st March, 2022.

The auditors of the subsidiary company in their report have stated the title deeds of the immovable properties (other than properties where the subsidiary is the Lessee and the lease agreements are duly executed in favour of the lessee) are partly held in the name of the company in digitized form and partly in the name of erstwhile company M/s Lansdowne Jute Company Limited. Further, the auditors of the subsidiary company in their report have stated that no physical verification of Fixed Assets have been carried out in any manner whatsoever and they are unable to comment on the quantitative details, situation of Fixed Assets, any material discrepancies and accounting impact thereof.

C.2 Investments:

The holding company is not maintaining proper Register of its Investments. Further, no documents could be made available in respect of Investments in Govt. securities aggregating to ₹0.74 Lakhs and Share scrips in respect of investments held in Britannia Engineering Ltd. and J.F. Low & Co. Ltd. could not be made available for our verification and were informed to be not traceable. These investments are very old and it was explained to us that the original certificates might have been provided as security to the various Govt. authorities/ departments. It was also noticed that investments include ₹0.02 Lakhs in the shares of companies, the names of which have already been struck off. However, full provision has been made against all these investments. Furthermore, investments include shares in Cheviot Company Limited and Birla Corporation Limited against which full provision has been made though dividends have been received against these shares.

C3 Inventories:

The valuation of inventories at the year-end, which are very old, has been done by the management of the holding company without considering damage/obsolesce on account of lapse of time and non-operations of the mills. The write-down in the value of inventories of raw-materials and work-in process

NATIONAL JUTE MANUFACTURES CORPORATION LTD.

has been done by the management without any technical evaluation of the actual diminution in the value of different types of inventories held by the holding company.

C4 Cash and Bank Balances:

Bank balances of holding company include ₹91,303.04 on account of Kinnison unit lying with UCO Bank, Titagarh Branch, which is a dormant account as on Balance Sheet date.

For the following old bank accounts of Birds Jute and Exports Ltd wherein no transactions have been made and are inoperative, no confirmation has been obtained from the banks:

- a) Against the aggregate provision of Holding Company of ₹408.77 Lakhs for Income-tax, as appearing in the Balance Sheet, tax payments made by the holding company in the form of income tax deducted at source amounts to ₹1172.65 Lakhs. The Income-tax refunds determined for earlier years, together with interest allowed thereon, are being adjusted by the Income Tax department against the arrear demand for the assessment year 1990-91. The outstanding demand summary of the holding company appearing in the Intimation u/s 143(1) for the assessment year 2020-21 is still showing a sum of ₹243.15 Lakhs payable by the company towards interest. We have been informed that the holding company is trying to obtain necessary information and documents in respect of the demand raised for the assessment year 1990-91 and necessary adjustment /further provision will be made after receiving necessary documents/information.
- b) There are many unreconciled differences in various accounts, as appearing in the respective books of account of the holding company and subsidiary, the details of which is as follows:

Account	Balance as per NJMC (₹ in Lakhs)	Balance as per Subsidiary (₹ in Lakhs)	Remarks
Interest Accrued on loans granted to Subsidiary	3814.96	3804.77	Differences need reconciliation and necessary adjustment after obtaining required details and information.
Advances given	605.64	631.05	
Creditor for Goods	Nil	94.91	
Creditor for Rent	Nil	0.15	
Creditor for other services	0.10	Nil	
Creditor for Brokerage	0.28	Nil	
Trade Receivables A/c Goods	23.56	258.21	
Trade Receivables A/c Expenses	Nil	7.40	
Advances given for Services	3.33	Nil	

The net difference between the holding company and subsidiary company amounted to ₹159.24 Lakhs, which has been shown in the consolidated balance sheet as “Net Difference between Holding & Subsidiary subject to reconciliation”.

C.6 Other Current Assets:

Since party wise details and relevant documents could not be made available to us in respect of holding company’s Security Deposits aggregating to ₹56.31 Lakhs, out of which ₹11.47 Lakhs considered doubtful and provided for, it is not possible to determine how much of deposits considered good are actually realizable.

C.7 Long Term Borrowings:

- a) The holding company has taken loans of ₹281.48 from the Govt of West Bengal in earlier years. The Loan agreement or any other document showing the terms and conditions of such loan could not be made available to us for our verification. In absence of any document showing the rate of interest and other terms, we could not verify the correctness of interest aggregating to ₹1308.61 Lakhs provided by the company upto 31-03-2022, which includes ₹36.36 Lakhs provided for the year under review. As stated in Note 5 to accounts, the holding company has defaulted in repayment of this loan and the accumulated balance of Principal including interest unpaid as per the books of account of the company is ₹1590.09 Lakhs as on 31st March, 2022 (as on 31st March, 2021 ₹1553.73 Lakhs).

The subsidiary company has taken Non-Plan Loan from Government of India of ₹2159.36 (₹46.96 Lakhs in 2021-22) and has defaulted in repayment of this loan and the accumulated balance of Principal including interest unpaid as per the books of account of the company is ₹9237.49 Lakhs as on 31st March, 2022 (as on 31st March, 2021 ₹8801.39 Lakhs).

- b) No balance confirmations have been obtained by the holding company and subsidiary company from the Central/ State Governments for the outstanding balance of loans as on 31-03-2022.

C.8 Trade Payables:

Trade Payables of holding company aggregating to ₹2058.94 Lakhs (as at 31.03.2021 ₹2096.91 Lakhs) include old outstanding balances carried over for more than three years aggregating to ₹1977.09 Lakhs (as at 31.03.2021 ₹1974.07 Lakhs) as per age-wise analysis of trade payables prepared by the holding company. In absence of party wise and invoice wise details or statement of account received from parties, it is not possible to ascertain how much of these liabilities are ultimately payable. In absence of necessary information, the status of parties under MSMED Act and dues to Micro and Small Enterprises could not be ascertained. Further, no liability on account of interest payable under the MSMED Act is being provided in the accounts for the last several years. Consequently, the interest payable under the said Act may be different from the amount of interest liability shown under the head Trade Payables. Furthermore, in case of Kinnison Unit, the amount of Sundry Creditors for Services and Sundry Creditors for Stores are being included in Trade Payables at net of debit balances aggregating to ₹22 Lakhs lying in some of these creditor accounts. Consequently, the liability on account of Trade payables is understated to that extent in the balance sheet. Furthermore, the provision made by the holding company towards doubtful advances given is also short to that extent, which has the impact of understatement of consolidated loss to the extent of ₹22 Lakhs on this account.

C.9 Other Current Liabilities:

- a) During the year under review, the holding company has made payment of ₹152.99 lakhs towards arrear ESI Contributions and a further sum of ₹50 Lakhs on adhoc basis on account of interest on

ESI Dues against the demand of ESI and subsequent order of Hon'ble High Court, Kolkata. These payments have been adjusted by the holding company against the unpaid liability of ₹3727.18 Lakhs lying in the books of account as on 01-04-2021 as Provision for ESI Damages without any basis and nothing has been charged to the Statement of Profit & Loss on this account. Further, no separate provision has been made for the balance payment of ₹284.36 Lakhs made by the holding company in the subsequent year on the basis of the said order of Hon'ble High Court, Kolkata towards past dues of ESI Contributions and interest thereon.

In our opinion, such non-charging of the aforesaid payments to the Statement of Profit & Loss and not making provision for the balance payment made in the subsequent year has the effect of understatement of consolidated loss for the year and statutory liabilities payable at the year-end to the extent of these payments.

- b) Statutory dues of holding company also include liability for Fringe Benefit Tax amounting to ₹8.93 Lakhs, Interest on Professional Tax amounting to ₹68.69 Lakhs, Damages due on PF and interest thereon ₹903.05 Lakhs which are being brought forward since long back. In the absence of relevant information, it could not be ascertained how much of these liabilities are ultimately payable or whether the same have been adequately provided.
- c) In the absence of party-wise details and other necessary information in respect of undisbursed claim of Commissioner of Payment: ₹40.29 Lakhs; Performance Guarantee: ₹57.47 Lakhs, Advance from parties: ₹98.83 Lakhs and old outstanding balances included in Security Deposits/EMD Received: Amount of which could not be ascertained for want of details, appearing in the books of account of the holding company, it is not possible for us to ascertain how much of these liabilities are ultimately payable or whether the same have been adequately provided for. Most of these items were stated to be very old.
- d) Creditors for unpaid wages of holding company ₹320.60 Lakhs include old outstanding liability aggregating to ₹226.55 Lakhs on account of VRS payable, Gratuity payable and Arrear Salary Payable. The holding company is maintaining the old balances as liability towards staff related payments. According to the information given to us, the total financial contingent liability of holding company in Labour matters, so far the management could ascertain in a number of cases comes to ₹6866.00 Lakhs.
- e) Unpaid Rates & Taxes of holding company include Cess, Duty etc ₹0.99 Lakhs, Professional Tax ₹0.12 Lakhs, Service Tax ₹1.69 Lakhs, TDS ₹0.99 lakhs, Other Rates & Taxes ₹109.97 Lakhs, which are being carried forward for long. In the absence of relevant information, it could not be ascertained how much of these liabilities are ultimately payable or whether the same have been adequately provided.

C.10 Ageing Schedules:

Break-up and ageing Schedules of Trade Payables and Trade Receivables have been given in respect of Trade Payables and Trade Receivables of Holding Company only. We have been informed that the Trade Payables and Trade Receivables of the Subsidiary could not be included in these schedules as the required information could not be obtained from the subsidiary company.

In view of the aforesaid observations, we are unable to determine the impact of these matters on the statement of affairs of the group and the corresponding impact on the Consolidated Statement of Profit & Loss.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to event or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE – B

TO THE INDEPENDENT AUDITORS' REPORT

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

We have audited the internal financial controls over financial reporting of **NATIONAL JUTE MANUFACTURES CORPORATION LIMITED** (“the Company”) as on 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its Subsidiary Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection

of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the holding company as well as the subsidiary have not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI, e.g. control environment, risk assessment, control activities, information system and communication and monitoring. The Board's report of Holding Company also does not include any risk management policy for the company including identification therein of elements of risk.

In view of above observations, Internal Financial Controls in the Holding Company as on 31.03.2022 is inadequate based on the internal control over financial reporting criteria as stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

As opined by the auditors of the subsidiary company, the subsidiary company in all material respects, does not have an adequate internal financial controls over the financial reporting and as such internal financial controls over financial reporting were not operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the subsidiary company considering the essential components of internal controls as stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

Other Matters

Our report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to separate financial statements of the subsidiary, which is a company incorporated in India, is based on the corresponding reports of the auditors of such subsidiary incorporated in India.

We have considered the qualified opinion reported above in determining the nature, timing and extent of audit tests applied in our opinion on the consolidated financial statements of the company.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022.

NOTE - 1 FORMING PART TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

1.1 PRINCIPLES OF CONSOLIDATION

The Consolidated Financial Statements (CFS) relate to National Jute Manufactures Corporation Ltd. (the Company) and its subsidiary Bird Jute & Exports Limited (the Holding Company and its subsidiary together referred to as “the Group”). The CFS has been prepared in accordance with the Accounting Standard-21 on “Consolidated Financial Statements” (AS-21).

1.2 FINANCIAL STATEMENTS ARE PREPARED ON THE FOLLOWING BASIS:

(a) The financial statements of the Company and its Subsidiary are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating inter-group balances and inter-group transactions including unrealized profits/losses in the period-end assets, such as inventories, property, plant & equipment, etc. The difference between the Company’s cost of investments in the Subsidiary, over its portion of equity at the time of acquisition of shares, is recognized in the consolidated financial statements as Goodwill or Capital Reserve on consolidation, as the case may be. Minority Interest’s share in net profit/loss of consolidated subsidiary for the year is adjusted against the income of the Group in order to arrive at the net income attributable to equity shareholders of the Company. Minority Interest’s share in net assets of consolidated subsidiaries is presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company’s shareholders. Minority Interest in the consolidated financial statements is identified and recognized after taking into consideration:

- (i) The amount of equity attributable to minorities at the date on which investments in a subsidiary is made.
- (ii) The minorities’ share of movement in equity since the date parent-subsidiary relationship came into existence.
- (iii) The losses attributable to the minorities are adjusted against the minority interest in the equity of the subsidiary.
- (iv) The excess of loss attributable to the minority over the minority interest in the equity of the subsidiary is adjusted against the majority interest.

1.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The Consolidated financial statements have been prepared in accordance with the historical cost convention on accrual basis and comply with the applicable Accounting Standards specified under Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.

NOTE - 1 (Contd.)

Gratuity: Liability for gratuity is provided on the basis of actual liability in respect of employees on roll as on the Balance Sheet date.

Leave Encashment: Liability for Leave Encashment is provided for on the basis of actual liability as on the Balance Sheet Date.

(g) ACCOUNTING FOR TAXATION

(l) IMPAIRMENT OF ASSETS

If the carrying amount of property, plant or equipment exceeds the recoverable amount on the reporting date, the carrying amount is reduced to the recoverable amount. The recoverable amount is measured as higher of the net selling price and the value in use determined by the present value of estimated future cash flow.

(m) BORROWING COSTS

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets, are capitalized as part of the cost of such assets. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

(n) USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP which requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

(o) LEASES

The Accounting Standard 19 on leases is not applicable as the company does not have any financial lease agreement in force.

(p) INTANGIBLE ASSETS

The Company does not own any intangible assets except Goodwill arising on Consolidation.

(q) GOVERNMENT GRANTS

Government Grant is recognized when there is a reasonable assurance that condition attached to such grant shall be complied with and grant shall be received. Government grant related to property, plant and equipment is deducted from the cost of the concerned asset.
